January 3, 2007

Mayor and Members of the Boone Town Council  
Town of Boone  
567 West King Street  
Boone, NC 28607

Dear Mayor and Members of the Council:

The Watauga County Commissioners appreciate the cooperation and consideration shown to the County by the Council and staff in the preliminary stages of developing the high school project. Many issues will need to be addressed with the Town and most require a fee. The Watauga County Board of Commissioners respectfully requests that the Council waive all fees due to be imposed during the construction of the new Watauga High School. These include, but are not limited to, availability and tap-on, annexation, zoning map amendment petition, zoning, and building permit/inspection fees. Again, in closing, thank you for your support and cooperation in creating a state-of-the-art high school that will serve our students well and make our citizens proud. If you wish, I will be glad to attend a Council meeting to discuss this request.

Sincerely,

  
Robert E. Nelson, Jr.  
County Manager
